

# SPECIAL MAKEUP EFFECTS

## CHARACTER CLASS

With Kaleb Lewis

*This project is supported in part by the ARTS Oil City Creative Ventures Grant and the Pennsylvania Council on the Arts, a state agency funded by the Commonwealth of PA*

---

For the duration of this three month course, students will have the opportunity to learn valuable tips and tricks of the Special Makeup Effects Industry in order to bring a full character from their imagination into reality. The course will teach students life casting, sculpting, molding, painting, costuming, props and application. No experience needed. All supplies included.

Students must be 18 years or older to attend classes. Exceptions will be made for students under the age of 18 with a parent/ guardian signature.

Age considered will be dependent on interest in the program upon a portfolio review.

Classes will be held in Oil City, Pennsylvania at the old Karma Coffee Building

The course will take place during the months of September, October and November-with a grand finale happening on Artist Sunday, November 26th- During this public event the students will apply their makeup to a model of their choice. Upon completion of the makeup transformation, they will parade their characters around town to a location where they will be met with a series of judges from the local artist community that will critique and discuss their favorite makeup. A grand prize will be awarded to the judges favorite makeup.

The public will then have an opportunity to vote for their favorite makeup. A public's choice award will be given to the chosen makeup.

The full course will be divided into a multitude of classes for the weeks leading up to Artist Sunday on Nov, 26th. Students will have the opportunity to attend the full course for an all inclusive price or have the option to take the classes individually and pay per class price.

There are 5 core spots available to attend the full course.

Pay per class spots are limited to 10 per class.

For the 5 core spots available-students will not only take home the skill set and knowledge of the makeup industry but also a makeup kit, sculpting tools, a lifecast, clay, etc. that will last them outside the course for continuous makeup transformations
